Third Annual Juried Members' Call for Entry

The RI Center for Photographic Arts Juried Members' Exhibition

The Rhode Island Center for Photographic Arts, 118 N. Main St. Providence, RI 02903

In a departure from tradition we are looking to present a themed exhibition with a focus on joy, wonder and positive thinking... We want to start 2021 off with a celebration of our victories. This is a chance to explore or revisit work that may not fit an ongoing project or be part of your regular practice... the pictures that surprised even you. We are interested in what gets you up in the morning, what gets you excited or what got you through the day. We are looking for the pictures that capture the wonder of it all... 2020 has been a year like no other and we will revisit it in some future exhibition but now is the time to move on and focus on the positive forces in your life. This is a chance to share those magic moments and the images that just make you smile.

This exhibition will be presented in two parts, a live gallery exhibition and a second version to be presented online only. We hope this dual format will give more members the ability to participate without compromising their safety. Both exhibitions will be made available online.
